

EMERGENCY CLOSING PROCEDURE – REMINDER

If schools are to be closed, have an early dismissal or delayed opening due to inclement weather or other emergencies, information will be posted on the district website www.nvnet.org/k8/demarest/index.html and on Channel 12 News “As Local as Local News Gets.”

No phone chain calls will be implemented. Please be mindful of the weather and possible snow conditions during the winter months and check the website often.

Information regarding emergency school closings may also be obtained by calling any of our district numbers and access extension **370** (for Luther Lee dial 201-784-2084 -- for County Road dial 201-768-6256 – for Demarest Middle School dial 201-768-6061). Please do not call police or staff since these lines are needed for emergencies.
