COUNTY ROAD SCHOOL

DAILY SCHEDULE

Arrival Time	8:10 am - 8:20 am
Classes Begin	8:20 am
Lunch	11:45 am-12:35 pm
Kindergartners eat lunch from:	11:45 am-12:10 pm
First graders eat lunch from:	12:10 am-12:35 pm
Dismissal	3:05 pm

Arrival Time 8:10 - 8:20

Between 8:10-8:20 am, school personnel monitor the students' arrival. Once the bell rings at 8:17 am to signal the lineup process, students go to the appropriate sign on the side of the building, on the blacktop. At 8:20 am students enter the building. In case of inclement weather, students report directly to the All Purpose Room. **Please do not send**

your child to school earlier than 8:10 am as there is no supervision.

AM Drop Off Procedure:

Cars should pull forward to the flagpole. This enables cars that follow to move as far forward as possible to discharge their children. Cars that stop before that point, when there is a car in front of them, force other drivers to attempt risky maneuvers. **Children should exit from the**

passenger's side of vehicles only. After the children have left the vehicle, please leave the curb area as soon as possible. Parents who enter the drop off area should remain in their cars. If you decide to escort your child (children) to the blacktop area or to wait until the child (children) enters the building, park in the parking spaces provided on Edward Street. **Do not park in the Staff Parking Area located in front of the school.** This helps lessen the congestion and provides the opportunity for children to enter school grounds safely with their parents. School personnel are on duty at 8:10 am each morning to facilitate the traffic flow.

Dismissal Time 3:05 pm

PM Pickup Procedure:

Drivers in the pickup lane in the afternoon should remain in their cars and pull up to the flagpole. If parents wish to leave their cars for any reason, please park in the parking areas provided on Edward Street, **not the parking spaces in front of the school.** Parents backing out of these spaces pose a danger to the students.

For safety and security reasons, the doors will be locked until 3:05 pm. Please do not

enter the hallway. Your child will be escorted outside. If you wish to wait outside the school, **please do not** congregate in front of the main entrance. Students are to remain on the sidewalk until their parents enter the loading zone. (PARENTS, PLEASE PULL FORWARD AS FAR AS POSSIBLE). Cars that stop, leaving room in front of them, disrupt the system and create dangerous situations.

The pickup system requires that children enter their cars from the sidewalk.

DOUBLE PARKING IS PROHIBITED

because it creates a dangerous situation for children as they attempt to go between cars and are not visible to drivers. Parents are encouraged to park on nearby streets and come pick up their children. This will help alleviate congestion.

For safety reasons bike riding on the blacktop is not allowed until 3:30 pm when all the pedestrian traffic has cleared.

SAFETY AND SECURITY FIRST!

Lunch Time

11:45 - 12:35

The Demarest Public Schools provide a complete lunch to all children who desire to purchase lunch.

The September menu is included in the summer mailing. Sheets of tickets are available and checks should be made out to:

DEMAREST BOARD OF EDUCATION-LUNCH ACCOUNT. Check the menu for

prices. Milk is available for purchase in 1/2 pint containers for children who wish to bring their lunches. The lunch period at County Road School is from 11:45 am -12:35 pm. The Board of Education's policy that pertains to students leaving school at lunch is devised for their safety. Students shall be permitted to leave school for lunch only if they are met in the school office and signed out by a parent or guardian. *If any child is signed out by anyone other than parent or guardian, the child must submit a note to the office signed by the parent or guardian indicating their approval.* A sign-out sheet will be on the counter in the office for your use. **It will also be necessary for you to sign your child in upon returning to school.** Any child in the district may elect to

eat his or her lunch in school provided he/she abides by the school's rules and procedures. The school reserves the right to limit, suspend or remove entirely, the lunch privileges of children who are not cooperative in helping to maintain an orderly, safe and sanitary environment. Notification of lunchroom infractions will be provided to the parent before lunch privileges are revoked. Parental support in establishing and maintaining such an environment is greatly appreciated. Consider including a wipe in your child's lunchbox.

Lunchroom Rules

1. Students should **walk** into the lunchroom and sit at a table.
2. Students who are purchasing lunch get in line first and sit at a table with their class.
3. Students are to remain seated to eat lunch. Students who require permission to use the lavatory during lunch period should raise their hand and request permission from one of the lunchroom aides to leave the gym. The student(s) will be given a pass.
4. Students are to discard all trash and make certain that their table area is clean.

5. When any adult in the room raises his or her hand, students should refrain from eating, raise his/her hand and discontinue talking until the adult is finished speaking.

6. The lunchroom coordinator will monitor the dismissal of students from the cafeteria. When most or all of the students are ready for dismissal at each table, he/she will direct the students to line up and walk to the playground. When the children are not eating, they will have recess outside unless the weather is inclement. During the winter months recess will be outside unless the temperature is below freezing, then recess will be held indoors.

Please dress your child appropriately for the weather. This means coats, hats, gloves and warm shoes as needed. It is recommended that your child keep a complete extra set of clothing in his/her backpack in case of emergency.

Playground Rules

1. **STUDENTS MUST RECEIVE PERMISSION FROM SCHOOL PERSONNEL BEFORE ENTERING THE SCHOOL BUILDING.**

2. Students must play in the area at the side of the gym. Students are not to play on either side of the building or in the area adjacent to County Road. This enables school personnel to observe all students during playtime.

3. Ball throwing is allowed only on the blacktop and playing fields. Ball playing is NOT allowed in the playground apparatus area.

4. When an adult requests that a student stop any action or activity, the student is to stop immediately. Students are expected to treat all school personnel with respect. Students who do not comply with this request will be addressed by the Principal.

5. **Contact games**, including tag, involving any physical action which could accidentally harm another child **are not allowed**.

Celebration Guidelines

We are complying with the mandate for healthy snacks and appreciate your cooperation and support. From time to time during the school year there may be special celebrations-activities which may include some snacks or refreshments. All will follow the new guidelines.

Celebrations include:

<i>Birthday</i>	<i>Valentine's Day</i>
<i>Halloween</i>	<i>International Day</i>
<i>Holiday</i>	<i>End of Year</i>

Birthday celebrations will be celebrated in the afternoon.

- There are to be no food and beverage items, which have sugar as the first ingredient.

*Other names for sugar:

Corn syrup	Malt
Dextrin	Maltose
Fructose	Maple syrup
High Fructose corn syrup

Glucose	Honey
Lactose	

- No candy at any time for any celebration or school activity.
- Any product containing more than 0% trans fat (hydrogenated or partially hydrogenated oils) per serving may not be served.
- No goodie bags or favors.

Please note:

Since many of our children have food allergies or special dietary needs, parents must discuss ingredients for any school celebration at least one week in advance with the school nurse.

For birthday celebrations all parents must contact the

classroom teacher via email or note at least one week before the birthday/ special class celebration to discuss the food and beverage, which must meet the following:

Based on manufacturer's nutritional data or nutrient facts label:

- There are to be no food and beverage items, which have sugar as the first ingredient.
- No more than 8 grams of total fat per serving with the exception of nuts/seeds.
- No more than 2 grams of saturated fat per serving.
- Water or 100% fruit juice only.

Please note: If you have frozen or other treats that need refrigeration, please make sure to provide them at the time of the event as the school has no storage facilities for these items.

Attendance

Our school's district attendance/absentee regulations ensure the safety of our students. These regulations make us aware of your child's whereabouts.

A student **must be in attendance for 160 or more** school days in order to be considered to have successfully completed the instructional program requirements of the grade to which he/she is assigned.

Parents/guardians are responsible for notifying the school early in the day when a child will be absent and for informing the school of the reason for the absence. If your child is absent more than 3 days during a marking period, our attendance program will generate a letter reminding you of the attendance policy.

Excused absences:

An excused absence is one for which there is a valid reason

for the absence as defined by school policy. In order for an absence to be excused:

A. The parent/guardian must notify the school no later than 9:00 am that the pupil will be absent and the reason for the absence. Such notification must take place each day the pupil is absent from school.

B. The parent/guardian must provide a written excuse clearly stating the reason for the absence when the student returns to school.

C. If a pupil is absent for five consecutive days or more, the parent/guardian must provide a written note from a doctor clearly stating the reason for the absence.

The following are acceptable excused absences:

- A. Illness or accident.
- B. Required court attendance.
- C. Death in the family.
- D. Religious observance in accordance with statute.

In order that we may be certain that parents are aware of their children's attendance and to provide greater assurance that children arrive at school safely, parents are required to call and notify the school by **9:00 am if their child will be absent**. Requests for homework should be made at that time by calling **(201) 768-6256, Ext. 369**. **This line is available on a 24 hour basis. In reporting your child's absence, please state your child's name, grade level and teacher's name. All homework should be picked up after 3:05 pm.**

As a parent, it is your responsibility to make sure your child attends school and be aware of his/her attendance record. If there are extenuating circumstances or should you have any questions, please call the principal's office to discuss this matter. Be aware that should absences continue the principal will pursue this matter and inform the superintendent. If the absence will be for several weeks because of a disability, home instruction can be arranged. It is necessary that the attending physicians and

the school medical personnel inspect or certify that the child cannot attend school to establish home instruction eligibility.

Parents are advised that the decision to remove children from school because of vacations or trips may have adverse consequences on the child's instructional progress. If an extended absence cannot be avoided, parents are expected to notify the building administrator at least two weeks prior to the anticipated absence.

If a child is in attendance during the morning session and must be absent for any reason during the afternoon session, parents are required to notify the school of this absence and the reason for it. Parents are advised to make every effort to schedule medical or dental appointments at times other than school hours.

GOOD ATTENDANCE IS CRITICAL IN ORDER TO SUCCEED IN SCHOOL.

For further information refer to Demarest Board of Education Policies/Regulations. (File Code 5113 - Board Policy)

Late Arrival/ Early Dismissal

It is recognized that from time to time certain circumstances will require that a student will be late to school or dismissed before the end of the day.

If you bring your child to school late, please bring your child to the office. At that time, you can give the office staff the reason for being late and the attendance records can be changed. Your child will be given a pass and directed to his/her classroom. When children come late to school they miss valuable classroom time for themselves as well as disrupt the teaching and learning of the other students in the class. **Parents are not to go to**

the classroom during the school day. Our office staff will gladly help you.

When a student is tardy three times during a marking period, our system will generate a letter reminding you of the attendance policy.

When a student is tardy five times during the school year, the building principal may apply consequences such as, but not limited to, detention, a conference with the parents/guardians, or other legal recourse involving the parent as is appropriate. When possible, parents/guardians are to notify the school in advance of such absences by written request which shall state the reason for the absences, tardiness or early dismissal. Justifiable reasons may include:

- A. Medical or dental appointments which cannot be scheduled outside of school hours.
- B. Medical disability.
- C. Family emergency.
- D. Court appearance.

No student shall be permitted to leave the school before the close of the day unless he/she is met in the office by his/her parent/guardian or a person authorized by the parent/guardian to act on his/her behalf.

FOR SAFETY AND SECURITY ALL VISITORS MUST SIGN IN AND OUT AT THE OFFICE!

Emergency School Closings

If schools are to be closed or have early dismissal for the day due to inclement weather or other emergencies, information will be given on the district website www.nvnet.org/k8/demarest/index.html and on radio stations WCBS and WOR and on

Channel 12 News "As Local as Local News Gets." On those rare occasions when the decision for early dismissal is made, after we open school, we will implement the emergency phone contacts to notify parents.

Keep in mind we will make certain that all children are accounted for prior to closing the schools. In addition check school announcements by calling (201) 768-6256 EXT. 370. In the case of inclement weather and no announcement that schools will be closed, parents/guardians are advised to use their own judgment as to whether their children should be sent to school or picked up from school before regular dismissal.

Delayed Opening

If schools are to have a delayed opening due to inclement weather or other emergencies, all students are expected to be at school by 10:00 am and all staff are expected by 9:30 am unless otherwise directed. Parents/guardians seeking verification of a delayed opening should use the aforementioned information. School will end at the regular time.

Field Trips

It is the policy to take students on field trips only with permission from parents/guardians and if children can exercise the needed decorum and self-control so important on an educational field trip. When a trip outside the district is being planned, permission slips will be sent home for approval of parents/guardians. There is a permission slip included in the Back-to-School packet for you to sign for trips to the other schools in the district or areas within the community. This permission slip will be kept on file for the duration of the school year.

Fire Drills/Practice

N.J. State Law requires schools to hold two fire drills per month. The following basic rules should be followed:

1. Absolutely no talking.
2. Students will leave the building in a single line led by the teacher.

Two fire signals may be given:

1. regular fire alarm
2. verbal alarm

We have a close working relationship with the Demarest Police Department and our school resource officer. From time to time, lockdowns and evacuations will be practiced.

Grading

Student Progress Reporting

Report cards are issued twice (2) annually for kindergartners and four (4) times annually for first graders. Please review the school

calendar for important dates such as report card distribution, parent-teacher conferences and Back-to-School Night.

Report card envelopes must be signed and returned to the homeroom teacher. If the envelope is not returned within ten days, there will be a \$1.00 fee for a new envelope. It is important that parents feel free to request conferences with teachers whenever warranted. Formal conferences are scheduled in the late fall and on an “as needed” basis in February. The progress of a child in school is the mutual responsibility of the home and school. Both must be ready and willing to work together to ensure the best possible instructional program for the child.

Guidance Services

The County Road School provides a guidance counselor to work closely with students, parents and teachers to facilitate academic, social and emotional growth throughout the students’ years at the school. Students and parents may direct their concerns to the guidance counselor.

Our guidance counselor is Arlene Hagendorf.

Homework

Homework assignments are determined by individual teacher's judgment which takes into consideration the variables of student age

and ability, the pertinent subject area and the purpose of a specific assignment.

The following guidelines are used in determining homework assignments for Demarest students:

1. As the student matures and advances to higher grade levels, it is expected that total homework time per week will increase. In addition, the complexity of assignments, as well as the time span needed to complete individual assignments, may increase.
2. Students who are legitimately absent should make up assignments, class work and tests within a reasonable time period which is determined by teacher discretion. Parents should make **requests for make-up assignments before 9:00 am** when notifying the school of a student's absence.
3. Students who are excused to take part in field trips, concerts, competitions, or any other school-sponsored activity, must make arrangements with the teachers of the missed classes to make up the work.
4. Work brought home may also include unfinished homework and unfinished class work.

Lost and Found

The school does not assume responsibility for lost or stolen personal property. Lost and found articles are stored by the main office for a short time. Found property may be returned at any time during the school day. Lost articles may be reclaimed before and after school each day.

A good way to prevent lost items is to label all personal items, i.e. jackets, coats,

sweatshirts, hats, gloves, backpacks, lunch boxes, etc.

Nurse's Office

The school nurse can be reached during school hours at (201) 768-6256 press 2. Please make sure our information is up-to-date e.g. allergies, medications, etc. See Mrs. Paspalas' website.

Parental Involvement

One of the unique features of the County Road School is the amount of parent participation in the educational program. Parents may become involved at County Road School in a variety of

ways. One way to become an active member of our school community is to join the Demarest Parent/Teacher Organization. Descriptions of volunteer programs such as lunch aides and library volunteers are included in the summer mailing. An invitation to join the PTO is also enclosed. Parents are encouraged to take part in a variety of school sponsored or PTO/School co-sponsored special events. Specific information regarding upcoming programs and how to contribute will be sent to parents as the school year progresses.

Please consider sharing your special skills, hobbies or interests. Parental support and involvement are vital to the success of our school. We look forward to continuing our relationship with those who have become involved and welcome those who wish to make new contributions to our school.

The administration and staff appreciate your involvement. **Unfortunately, for security and liability reasons, younger siblings cannot be brought to school with you when you volunteer in the classroom or for individual events such as Field Day, Mother's Day, Father's Day or class trips.**

Siblings are also not allowed on the playground during school hours. If a sibling attends a program held at the school, they must sit with their parent during the entire performance-program.

Student Dress

The basic responsibility for the appearance of the student rests with the parents. Please consider age, weather, community norms, safety and the need to take the process of education seriously. Traditional standards for good taste and modesty are expected. **Please especially take note of what your child wears to school during the warmer months.** For safety reasons and playground play, no flip-flops are to be worn.

Physical Education (PE)

On the days your child is scheduled for PE, please have your child wear comfortable clothing and sneakers.

Telephone Usage

It is important that your child come prepared to school each day. Please do not encourage your child to call home during the day. The office phone is for school business. Please be sure that your children are aware of afternoon arrangements prior to drop-off in the morning. In the past, we have been inundated with phone calls (especially in the late afternoon) and do not have the office personnel to handle these calls. In addition, for safety and security reasons, all requests should be in writing since it is difficult to ascertain who is giving verbal instructions. Office personnel are not allowed to provide home numbers or addresses, so please do not ask them to do so.

Vandalism and Property Damage

Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. All accidental damages should be reported to a teacher or office personnel.

Details of those procedures should be made known to pupils and staff, and pupils who wish to use them should be assured of access to the appropriate personnel within a reasonable period of time.
