

NONRESIDENTS

The board shall operate the schools of this district for the benefit of all children resident in the district and such others as may be admitted, pursuant to statute and policy of the board. The board reserves the right to verify the residency of any pupil and the validity of any affidavit of guardianship. Documentation required to prove eligibility to attend the schools of this district shall be in accord with policy 5111 Admission and the administrative code.

Future Residents

A child otherwise eligible for attendance whose parent/guardian has signed a contract to buy, build or rent a residence in this district shall be enrolled for a period not to exceed two (2) months previous to the anticipated date of residency without tuition charges. If the child has not become a resident of the district by the end of the period of free attendance, tuition shall be required for all the time from the beginning of the pupil's attendance until residency is established.

Parents/guardians of children who are future residents shall be required to demonstrate proof of the anticipated residency. The board reserves the right to verify such claims, and to remove from school a nonresident pupil whose claim cannot be verified.

Former Residents

Regularly enrolled children, whose parents/guardians move from the district before the end of the year but after March 1, may remain enrolled for the remainder of the school year on payment of tuition prorated.

Other Nonresident Pupils

When a child must either relocate to or from this district because his/her parent/guardian is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States and has been ordered into active service, the child shall be eligible to attend the schools of this district without paying tuition. The district shall not be responsible for transporting the child.

The board shall not be responsible for the transportation to or from school of any nonresident pupils.

Under special circumstances children visiting temporarily with a local resident may be permitted to attend school, with the approval of the board upon the recommendation of the chief school administrator.

The board shall annually determine tuition rates for nonresident pupils upon the recommendation of the chief school administrator..
