

## **Construction, Remodeling and Renovation**

Continuous efforts shall be made to maintain the facilities out of the current expense budget. In order to do this, the School Business Administrator and Supervisor of Buildings and Grounds shall meet annually with the Building and Grounds Committee to update the five-year maintenance plan. Special attention shall be given to a comprehensive program monitoring the upkeep and life span of critical building components such as roofs, floors, the heating and ventilation systems, bathrooms, etc.

The Chief School Administrator shall ensure the annual review and updating of the five-year maintenance plan.
