

BUILDING DESIGN

In approving proposed plans for alterations or new construction, the Norwood Board of Education will consider them in relation to:

1. The educational program to be served;
2. Accessibility for students, their health, and safety;
3. Aesthetics; and
4. Economy in combination of original cost and long-term maintenance costs.

Date: January 10, 1983
Revised: June 29, 2009
